Dear Crane Inspector Certification Candidate:

Welcome to the National Commission for the Certification of Crane Operators (NCCCO) national crane inspector certification program.

NCCCO is a nonprofit organization founded in 1995 to establish a fair and independent evaluation of crane operator knowledge and skills. Key to this industry-led effort was the development of the CCO Written and Practical Examinations, initially for mobile crane operators but now also for tower, overhead, and articulating crane operators, digger derrick operators, riggers, signalpersons, and lift directors. These nationally recognized and internationally accredited certification programs are the culmination of many years' hard work by experts from the varied industries and groups that use cranes, including construction, steel erection, operating engineers, utilities, crane rental, petrochemicals, pulp and paper, and others.

The NCCCO Crane Inspector Task Force that developed this certification program was made up of experts from all aspects of the crane industry—crane inspectors, crane users, trainers, safety supervisors, manufacturers—who together represent many thousands of hours of crane-related experience. These volunteers gave freely of their time and expertise with the primary goal of improving the quality of crane inspections and promote additional training among crane inspection personnel.

To ensure CCO examinations are—and remain—valid measurements of crane inspectors' proficiency, NCCCO teamed its exam development expertise with the task force's knowledge and experience. In addition to guiding the development of new examinations, NCCCO continually analyzes the performance of CCO exams and reports to the Exam Management Committees. To be able to provide fair and independent assessments, NCCCO does not conduct training, nor does it provide training materials.

NCCCO, as a third-party certification body, is fully committed to, and understands the importance of, delivering all certification activities on a foundation of impartiality. All policies and procedures are established in an objective manner and ultimately strive to achieve fairness throughout all activities. NCCCO prevents any conflicts of interest through detailed policies and procedures observed by staff, governing body representatives, and those involved in written and practical exam administration.

***This candidate handbook has been developed to provide you with comprehensive information about the CCO Written Examinations leading to certification. NCCCO recognizes the commitment you are about to make and will do everything it can to make your experience a positive and successful one. If, after reading this handbook, there is anything you do not fully understand, please call NCCCO at 703-560-2391 or e-mail [info@nccco.org](mailto:info@nccco.org). NCCCO staff will guide you through any aspects of the program that you would like explained in more detail.***

Thank you for your interest—and good luck with your efforts to become CCO-certified!

# Introduction

## PROGRAM DESCRIPTION

The National Commission for the Certification of Crane Operators (NCCCO) is an independent, nonprofit organization formed to set standards for fairly measuring the knowledge and proficiency required for the safe operation of cranes. NCCCO currently administers a nationwide program of certifications for crane operators, digger derrick operators, and related trades, including riggers, signalpersons, lift directors, and crane inspectors.

Based on extensive discussions with representatives from all segments of business and industry who recognize the impact of safety issues, NCCCO has identified the following potential benefits of inspector certification:

- Fewer accidents, injuries, and fatalities
- Reduced risk of loss
- Assurance of inspectors' abilities
- Less property damage
- Improved safety records
- Enhanced public image of crane industry

All candidates are required to pass the necessary Written Examination(s) to be certified.

The initial certification period is for five years, after which an inspector is required to recertify. Periodic Written Examinations are necessary to ensure that certificants' knowledge of industry standards, equipment, and safety practices keeps pace with changes in these areas. NCCCO's subject matter experts, working in conjunction with psychometric consultants, reviewed the speed of such change in the industry and researched other comparable certification/licensing programs before determining that this goal could be achieved by setting the examination interval at five years; little, if any, additional benefit is believed would accrue by more frequent testing.

## CCO EXAMINATION DEVELOPMENT

The first step in the development of an objective test to measure what is required for safe crane inspections was a job analysis study. The study identified the knowledge and skills necessary for effective crane inspections. A survey was given to a representative number of crane inspectors, who validated that the knowledge recommended by the experts was vital to effective inspections. The test blueprints and content specifications were then generated from the validation study.

Development of the Crane Inspector Written Examinations involved a panel of crane inspection content experts who worked with NCCCO staff to write and review all questions used in the examination. Each examination contains a unique combination of questions from the question bank. Questions are selected for examinations on the basis of the content areas and specialties defined by the test blueprints.

NCCCO teamed its exam development expertise with the task force's knowledge and experience. NCCCO guided the task force in establishing key elements of the program, including identifying essential skills, standardizing test conditions, developing the scoring process, establishing reliability among tests, and creating flexible application and scheduling procedures.

To be eligible for certification, candidates must:

- Be at least 18 years of age
- Meet experience requirements
- Meet medical requirements
- Pass Written Examination(s)
- Comply with NCCCO's Substance Abuse Policy
- Comply with NCCCO's Code of Ethics

### EXPERIENCE

All applicants must demonstrate at least five years of crane-related experience. The five years shall include duties such as:

- Crane inspector
- Crane operator
- Crane mechanic/technician
- Crane shop foreman

Related education may be substituted for related experience at a ratio of two years of education for one year of experience up to three years. Related education includes courses in:

- Engineering
- Physics
- Applied mathematics
- Applied science courses in non-destructive testing
- Construction technology
- Technical courses in:
  - Heavy equipment mechanic/technician
  - Welding technology

### Experience Form Submission

*At least two weeks before submitting their exam candidate applications*, all crane inspector candidates must demonstrate their qualifications by filling out a form detailing their pertinent experience, education, training, and references. ***This Experience Form (see pp. 23-29) must be completed and reviewed by NCCCO prior to submitting applications for testing.*** NCCCO will process candidates' completed form within two weeks of submittal; after being reviewed, candidates are notified by email whether they are eligible to register for the written exams or if more information is required. ***A \$50 Experience Form Processing Fee must be paid when the Experience***

***Form is submitted.*** To avoid any delays, candidates are encouraged to be as detailed as possible when completing. Candidates must submit proof of experience (documentation, letters of recommendation, transcripts, résumé, etc.) along with their completed Experience Form submission.

### MEDICAL REQUIREMENTS

Certified crane inspectors must be in good physical health, as verified by a medical professional, sufficient enough to handle the physical demands that crane inspections require.

### CCO WRITTEN EXAMINATIONS

The Crane Inspector Written Examination consists of a Core Examination and specialty examinations for the Mobile Crane Inspector and Tower Crane Inspector certifications, and a single comprehensive exam for the Overhead Crane Inspector certification. Each candidate must also successfully pass the respective operator exam; however, currently CCO-certified operators are not required to take the corresponding operator exam, as long as they maintain their certification status in good standing.

***The tables on the following page detail the exams necessary to be certified for each crane type and the contents of those exams.***

Written exams may be taken as either paper/pencil tests (PPT), see page 7 for details, or computer-based tests (CBT), see page 10 for details.

### CCO PRACTICAL EXAMINATIONS

There is no formal practical examination for the crane inspector program. Images of real life situations are used in the written exam to test crane inspectors' abilities to identify deficiencies and hazards.

### CCO CERTIFICATION TIME FRAMES

Certification is valid for five years. Candidates must pass Written Exam(s) in the category(s) for which they seek certification. Candidates may take their exams in any order. Candidates have 12 months after they pass their first exam to pass the corresponding exam(s). For example, a candidate passing the Crane Inspector Core Exam in January 2015 has until the end of January 2016 to pass the Mobile Crane Inspector Exam.

If a certified inspector subsequently becomes certified in additional crane types by taking the appropriate written exams, the five-year certification period for the additional

crane types begins at the same time as he/she was originally certified (i.e., certification for all crane types expire on the same date, regardless of when in the five-year certification period the candidate passed them). If the new designation is added within the final 24 months of his/her certification period, the certificant is exempt from recertifying for the new designation after five years; after that, however, certificants must recertify for all designations during the 12 months prior to their certifications' expiration date. This ensures that all of the certificant's crane inspector designations maintain the same expiration date.

Candidates for certification or recertification may petition for an extension of NCCCO's standard timeline(s). NCCCO staff shall have the discretion to make the initial determination of whether a requested extension should be granted. Petitions for an extension of time are generally denied absent a showing of extraordinary circumstances. Denials of such petitions may be appealed to the Appeals Committee.

*The following table details the exams necessary for each crane inspector certification:*

*Please see the applicable crane operator handbooks for information regarding the contents of the respective crane operator exams.*

## RECERTIFICATION REQUIREMENTS

CCO certification is valid for five years. Recertification candidates must complete all recertification requirements during the 12 months prior to their expiration date. This includes:

- Passing the Recertification Written Examination
- Continuing to meet medical requirements
- Compliance with NCCCO's Substance Abuse Policy
- Compliance with NCCCO's Code of Ethics

Candidates who can attest to at least 1,000 hours crane inspection-related experience during their period of certification are eligible to recertify by taking the corresponding Crane Inspector recertification exams; if they cannot attest to at least 1,000 hours of crane inspection-related experience, they must instead re-take the initial Crane Inspector exams to recertify. Crane-related experience is defined as: crane inspection, crane inspection management/supervision, assembly/disassembly activities, and inspection training.

Recertification candidates take recertification examinations that correspond to the exams they took to earn their initial Crane Inspector certification (see table on page 4):

- The Crane Inspector Core Recertification Examination has 25 multiple-choice questions with a time limit of 30 minutes.
- The Crane Inspector Mobile Crane Specialty Recertification Examination has 25 multiple-choice questions with a time limit of 45 minutes.
- The Crane Inspector Tower Crane Specialty Recertification Examination has 20 multiple-choice questions with a time limit of 30 minutes.
- The Crane Inspector Overhead Crane Comprehensive Recertification Examination has 35 multiple-choice questions with a time limit of 45 minutes.

Recertification candidates are allowed two attempts to pass the Recertification Written Exam before their certification expires. Candidates who are unsuccessful after two attempts must take and pass the regular exams.

Recertification candidates may take their Recertification Written Examination up to one year prior to their certification's expiration date. Regardless of the date of the Recertification Examination within that one-year period, the new five-year certification period begins from the date of expiration of the candidate's initial certification.

*Note: Candidates who recertify more than 12 months prior to their expiration date will have their new certification period begin immediately, not from the end of their current certification period.*

Recertification Exams are available at regularly scheduled paper/pencil test administrations as well as via computer-

based testing. Candidates wishing to recertify should contact the Test Site Coordinator who set up their initial certification. Candidates whose employment circumstances have changed should ask their new employer to schedule a test administration. Candidates may also locate open paper/pencil Written Exam Test Sites at [www.nccco.org/testsites](http://www.nccco.org/testsites) or apply online for computer-based testing sites at [www.nccco.org/cbt](http://www.nccco.org/cbt).

## CODE OF ETHICS FOR CERTIFIED CRANE INSPECTORS

CCO-certified crane inspectors must comply with NCCCO's Code of Ethics during their certification, as set forth below.

*In my occupation, I will conduct myself in a manner:*

- So as to place the safety and welfare of others associated with my work above all other considerations;*
- So as to protect and preserve nearby general public property and the environment; and*
- So as to be free of bias with regard to religion, ethnicity, gender, age, national origin, and disability.*

*Furthermore, in connection with my work and in my dealings with NCCCO, I will:*

- Make management and appropriate personnel aware promptly if I have any safety concerns relating to the work that I am performing or with which I am involved;*
- Not knowingly violate any safety-related regulations, warnings, or instructions set forth by OSHA, recognized safety standards, prevailing jurisdictions, or equipment manufacturers; and,*
- Not mislead, misrepresent or knowingly deceive others concerning my experience or the capabilities of myself or the equipment I am operating or with which I am working.*

*In addition, in my dealings with NCCCO, I will:*

- Provide accurate and complete information and abide by NCCCO's policies and procedures, including this Code of Ethics, as they may be updated from time to time;*
- Not act dishonestly or unfairly in order to gain an advantage, or to provide another with an advantage, in connection with any dealings with NCCCO;*
- Cooperate fully and completely with any administrative inquiries or investigations by NCCCO; and,*
- Not misrepresent or misuse any NCCCO card, or the NCCCO or CCO acronyms and logos, or any registered trademark or other intellectual property of NCCCO; and I understand that I must return the card to NCCCO immediately if required to do so.*

CCO-certified personnel who intentionally or knowingly violate any provision of the Code of Ethics will be subject to action by a peer review panel, the Ethics and Discipline Committee, which may result in suspension or revocation of certification.

## **DISCIPLINARY POLICY**

NCCCO's Ethics and Discipline Committee is responsible for establishing and implementing standards of conduct, such as ethical standards and policies and procedures for disciplinary action. Grounds for revocation of certification status shall include, but not be limited to, the following:

1. Period of certification exceeded without renewal
2. Evidence of falsification of any information on any documents submitted to NCCCO or its agents
3. Evidence of non-compliance with NCCCO's Substance Abuse Policy
4. Evidence of culpability in an accident during certification period
5. Evidence of non-compliance with medical requirements
6. Evidence of non-compliance with the Code of Ethics

NCCCO has established policies and procedures to address alleged violations of the Code of Ethics fairly and consistently. The complaints procedures have been designed to ensure that only valid and actionable complaints are investigated and considered. These procedures also ensure that all parties involved in the complaint have an opportunity to document circumstances warranting the complaint and to respond to the complaint.

NCCCO has a two-tier process to ensure that issues regarding the practice and conduct of certified crane inspectors are fairly and reasonably investigated and determined, and that the public is protected against unprofessional and unethical conduct by certificants.

Complaints against certificants are initially investigated by NCCCO's Manager of Test Integrity, who reports to NCCCO's Ethics and Discipline Committee. If the complaint is considered actionable, the Ethics and Discipline Committee informs both the certificant and the complainant of the official opening of the investigation. Following the investigation of the complaint, the Ethics and Discipline Committee informs the certificant and the complainant of its decision.

If a sanction is imposed, the certificant may request an appeal of the decision to the NCCCO Board of Directors.

Appeals should be addressed to:

Chief Executive Officer  
National Commission for the Certification of Crane  
Operators (NCCCO)  
2750 Prosperity Avenue, Suite 505  
Fairfax, VA 22031

The decision of the NCCCO Board of Directors is final.

## **SUBSTANCE ABUSE POLICY**

It is the policy of NCCCO that crane inspectors shall not use prescribed or over-the-counter substances that would impair their ability to effectively and safely perform their duties. This includes illegal drugs, controlled substances (including trace amounts), look-alike drugs, designer drugs, or any other substance that may have an effect on the human body of being a narcotic, depressant, stimulant, or hallucinogen.

An exception to this rule is that an inspector may use such a substance or drug if it is prescribed by a licensed medical practitioner who is familiar with the inspector's medical history and all assigned duties, and who has advised the inspector the prescribed substance will not adversely affect the inspector's ability to perform an inspection properly and/or operate a crane safely.

CCO-certified crane inspectors shall comply with nationally recognized substance abuse testing provisions. It is a condition of certification that crane inspectors certified by NCCCO attest to their compliance with this Substance Abuse Policy. Non-compliance with this policy automatically revokes a candidate's certification status.

## **CERTIFICATION CARDS**

Certified inspectors receive a laminated photo ID card at no cost when they certify for the first time and when they complete the requirements for recertification.

Replacement cards, cards showing certification in an additional inspector designation, or updated cards for candidates who retake and pass an inspector exam they previously failed may be obtained from NCCCO at a cost of \$25. They may, however, hold only one inspector card at a time. Updated or replacement cards can be ordered online at: [www.nccco.org/newcard](http://www.nccco.org/newcard).

Please note that if a certified crane inspector is also a certified crane operator, rigger, or signaller, a separate inspector card (with separate expiration date) is issued.

## **CHANGE OF ADDRESS**

Certificants who change their address must notify NCCCO as soon as possible. Failure to do so may cause important updates on NCCCO's programs to be missed that could affect a certificant's status.

Changes of address should be sent to NCCCO. They must be in writing but can be sent via letter, fax, or email. A form for this purpose is provided in this handbook.

# Written Examination Process

## CRANE INSPECTOR

### EXPERIENCE FORM SUBMISSION

CCO Crane Inspector certification applicants must document and attest to at least five years' crane-related experience. The five years shall include duties such as crane inspector and related activities, crane operator, crane mechanic, or crane shop foreman. Related education may be substituted for related experience at a ratio of two years of education for one year of experience up to three years.

*All Crane Inspector candidates must submit a completed Experience Form and relevant documentation for review at least two weeks prior to submitting their exam Candidate Applications.* Candidates must make their best attempt to complete all sections of the form. Applications that are deemed incomplete or inadequate will be rejected and additional information may be required. The Experience Form can be found on pages 23–29 of this handbook or via the NCCCO website at [www.nccco.org](http://www.nccco.org). *Candidates are notified by email of their eligibility to apply for the Crane Inspector certification exams within two weeks of submitting this form.*

**NOTE:** A \$50 Experience Review Fee is required with each candidate's completed Experience Form.

### APPLICATION PROCESS TO TAKE THE WRITTEN EXAMINATION(S)

Crane inspector written exams and recertification exams may be taken as either paper/pencil tests (PPT) at an approved NCCCO written exam test site or as computer-based tests (CBT) at approximately 300 PSI test centers across the country. The content of both test formats is identical; see the appropriate sections below for instructions on how to apply for either PPT or CBT exams.

### Candidates Requesting Testing Accommodations

Arrangements for persons with disabilities will be provided upon request, in conformance with the Americans with Disabilities Act (ADA).

*Professional documentation in support of a request for accommodation must be submitted to NCCCO no later than four weeks prior to the scheduled test date.* For further information about testing accommodations, see the complete NCCCO Testing Accommodations Policy at: [www.nccco.org/accommodations](http://www.nccco.org/accommodations).

### PAPER/PENCIL TESTING (PPT) OPTION

Candidates desiring to sit for paper/pencil written exam(s) should visit [www.nccco.org/testsites](http://www.nccco.org/testsites) to see a schedule of upcoming Test Dates and Locations and then submit a completed Candidate Application form with the appropriate documentation as directed on the form. Applications are due two weeks prior to the scheduled examination date. PPT application deadline examples are shown on page 9. Information about the specific locations of the Test Sites will be available approximately one to three months prior to the examination. Candidates eligible to sit for the examination will receive an admission letter approximately one week before the scheduled test administration date.

### Submission of Application

To apply for paper/pencil exams, use the Candidate Application form at the back of this handbook. *Candidates may also submit applications and payment online for either PPT or CBT exams at: [www.nccco.org](http://www.nccco.org).*

The Candidate Application with the appropriate fees, as well as any correspondence and requests for information concerning the administration of CCO examinations, should be sent to:

NCCCO—Testing Services Department  
1960 Bayshore Blvd.  
Dunedin, Florida 34698  
Phone: 727-449-8525  
Fax: 727-461-2746

Contact the Test Site Coordinator to confirm whether the application should be sent to the Test Site Coordinator or directly to NCCCO. Check the application to ensure that all information provided is accurate and complete. In addition to the completed application, make sure that the appropriate fees are enclosed.

Follow the directions carefully when filling in the required information. Incomplete applications, incorrect payment, and/or inaccurate documentation will delay the processing and incur additional fees. This could result in *NOT* being able to sit for the examination(s).

### Deadlines

*Please note that all deadlines are UPON RECEIPT deadlines. Candidates and Test Site Coordinators are solely responsible for making sure that completed and accurate applications reach NCCCO by the stated deadlines.*

## Examination Fees

For paper/pencil tests (PPT), the appropriate Written Exam fees must be enclosed with the Candidate Application. Checks, money orders, or credit cards (VISA, MasterCard, or American Express) may be used; do not send cash. Please include payment in the envelope with all the other application materials.

*All returned checks are subject to a \$30 fee.*

**Experience Review Fee:**..... \$50

### PPT Written Exam/Retest Fees:

- Crane Inspector Core Exam ..... \$250
- Mobile Crane Inspector Exam ..... \$250

### Other Fees:

An additional \$50 late fee will be charged if the application is late.

An additional \$25 will be charged if a candidate:

- Wishes to reschedule without a valid reason (see Emergency Cancellations or Withdrawals)
- Needs a replacement certification card or score report

An additional \$30 fee will be charged if:

- An application form is incomplete

All application materials must be received at NCCCO's office according to the sample test schedule outlined under "Application Deadlines."

Applications received after the main application deadline—but at least four business days prior to the exam administration date—can be accepted for an additional \$50 late fee. For example, for a test administration on a Saturday, late applications that arrive at NCCCO's office by 5 p.m. (ET) on the Monday evening prior to the test will be accepted.

Candidate applications that arrive after that time cannot be accepted. ***Walk-in candidates cannot be accepted under any circumstances.***

## Length of Test Day

CCO written exams are carefully designed to provide a reliable and valid assessment of a candidate's knowledge and skills. Time limits are carefully determined for each written exam to allow enough time for a prepared candidate to complete the exam and to provide for an efficient and successful administration of all exams to scheduled candidates on testing day.

To provide each candidate with a fair and standardized administration of the written examination(s), and to ensure the reliability and validity of the written examinations is maintained, it is not recommended that a candidate schedule written exams totaling more than six hours of testing time on the same day.

## Rescheduling, Cancellations, and Withdrawals

Should a candidate be unable to sit for the examination, NCCCO must receive notification in writing no later than seven business days prior to the examination date. Candidate fees will be held up to one year. When the candidate reschedules, he/she will need to pay an additional \$25 rescheduling fee.

Candidates who wish to reschedule their CCO Written Examination(s) **must** notify NCCCO and submit the necessary documentation and fees by the deadline for the rescheduled test date.

***Candidates withdrawing or canceling after the deadline or not sitting for the examination will forfeit all application fees and will NOT receive a refund.***

## Emergency Cancellations or Withdrawals

**Only the following situations** will be accepted as grounds for emergency cancellations or withdrawals:

- **Called to work**—supporting documentation required: *letter from employer*
- **Candidate illness**—supporting documentation required: *doctor's note*
- **Family death**—supporting documentation required: *death certificate or obituary notice*

Requests for medical and personal emergency withdrawals are handled by NCCCO's Testing Services Department upon submission of a letter describing the situation. Full name, address, and Candidate ID/CCO Certification # must be included along with the scheduled test date, site number, and supporting documentation indicated above.

NCCCO **MUST** receive written notification within seven business days after the scheduled examination date or all application fees will be forfeited. Candidates will, however, be allowed to reschedule for a future examination administration.

Candidates will NOT receive a refund if they decide they no longer wish to take the test.

## Test Administration Schedule for CCO Examinations

Paper/pencil CCO Written Examinations are available for administration on demand with at least four weeks' notice.

## Score Reporting

Paper/pencil CCO Written Examinations are electronically scored at NCCCO's facilities. For this reason, it is important to complete the answer sheet according to the instructions provided by the Chief Examiner on the day of the exam. Candidates will receive credit only for answers recorded on the scannable answer sheet. **Answers marked in the test booklet(s) will NOT be counted toward a candidate's score.**

All candidates will receive a score report of their performance. Examination results are mailed to candidates

approximately 12 business days after the examination administration.

### COMPUTER-BASED TESTING (CBT) OPTION

Candidates desiring to take their written exam(s) using the computer-based testing (CBT) option should visit [www.nccco.org/cbt](http://www.nccco.org/cbt). This page includes links to a directory of approximately 300 PSI locations throughout the U.S. as well as the online application form.

Online applications may be completed and submitted at any time. Candidates should apply to take CBT exam(s) as soon as possible, but no later than five business days before their preferred exam date. Please note that site availability is not guaranteed on the preferred exam date or location, and availability can only be confirmed when scheduling the appointment.

After the candidate completes and submits the online application (with payment), the application will be processed within two business days. Candidates authorized for testing will receive a scheduling authorization email from PSI with specific instructions on how to schedule an examination appointment. For the fastest and most convenient test scheduling process, PSI recommends that candidates use the online scheduling service at [www.goAMP.com](http://www.goAMP.com). Candidates follow the onscreen step-by-step instructions to register for their examination(s). Candidates may also call the number provided in the email to schedule the test(s) with PSI; the PSI customer service representative will do his/her best to select a test date and location convenient for the candidate. PSI will send an appointment confirmation email within 24 hours. The candidate must then go to the selected test center at the scheduled date and time.

### CBT Examination Fees

Candidates must pay the appropriate CBT Written Exam fees when they apply online. A credit card (VISA, MasterCard, or American Express) must be used to pay online. CBT exam payments are valid for one year. If the candidate does not schedule and test within 12 months, he/she forfeits the fees. This does not affect the deadline(s) for certification as specified on page 3.

Examination comments are reviewed by NCCCO content experts on a regular basis.

Computer-based testing candidates may provide comments for any question by clicking on the "Comments" button to the left of the Time button.

This opens a dialogue box where candidates may enter comments.

*NOTE: Only comments completed on the Candidate Question Comment Form or provided during the computer-based examination at the Test Site will be considered for review.*

## **TEST SCORING INFORMATION (PPT AND CBT)**

CCO Written Examinations are criterion-referenced examinations; i.e., the passing score is set beforehand, and candidate performance on the examination is not compared to the performance of others taking the examination. In a criterion-referenced examination, a candidate must obtain a score equal to or higher than a predetermined passing score to pass the test. The passing scores represent absolute standards and are determined by panels of NCCCO content experts using a psychometrically accepted standard-setting methodology.

In reporting the examination results to candidates, statistical procedures are used to convert raw scores (i.e., the number of test questions answered correctly) to scaled scores, which are equivalent for all administrations of the examination(s). The scaled score is not a number-answered-correctly score.

Candidate results are reported as a scaled score, with a score of **70** representing the minimum passing score for this test. Written exam score reports include a strength and weakness report by content domain.

*Candidate scores are never reported by telephone, email, or facsimile.*

## **Hand Score Requests**

Candidates not passing exam(s) may request from NCCCO a hand scoring of their answers, provided the request is made in writing within three months of the test date. Requests must be accompanied by a processing fee of \$25 for one failed test score or \$50 for two or more failed test scores per test administration.

Requests should be mailed to:

NCCCO—Testing Services Department  
1960 Bayshore Blvd.  
Dunedin, Florida 34698  
Phone: 727-449-8525  
Fax: 727-461-2746

In the event that the hand scoring of a failing candidate's answer sheet results in a passing score, the hand-scoring fee(s) will be refunded in full.

## **RETAKE THE EXAMINATION(S)**

Candidates who fail an examination(s) may retake the examination(s). Candidates will need to reapply and pay all corresponding retest fees. CBT candidates may reapply any time after taking their exam(s); however, the new authorization email will be delayed pending the receipt of the exam results from PSI, which can take up to 72 hours.

## **INFORMATION RELEASE POLICY**

NCCCO releases information pertaining to individuals who have successfully passed one or more CCO examinations according to its Information Release Policy (see page 37).
